## Don't let an old router slowdown your holiday mood.

Enjoy worry-free holidays by upgrading to a WiFi 6 Managed Router from Midstate Communications and get 6 months of FREE Managed WiFi service on us!

As you gather around the table with family and friends, your home is bustling with connections—whether it's sharing recipes, streaming the big game, or setting up those smart holiday lights. But if your old router isn't keeping up, it might be time for an upgrade. If your router is more than 4 years old, it is time to upgrade. Midstate Communications has a great promotion just for you! Trade in your old router for a brand-new WiFi 6 router where you can enjoy 6 months of FREE Managed WiFi service, so you can keep all your devices running smoothly through the holidays and beyond. Why upgrade before the holidays?

- Seamless Streaming – Enjoy family movie marathons or holiday football without any buffering.
- Stronger Signal – Your smart devices, from speakers to thermostats, will work more reliably.
- Managed WiFi – Let us handle the technical side while you focus on what matters most this season.

Give thanks for faster internet! Upgrade today and make sure your home network is ready for all the holiday festivities. Contact Midstate Communications to learn more about this limited-time offer or scan this QR code to learn more about our Midstate Fiber-Optic Internet plans.
