Coming Soon 2/28/2024

Get ready to enjoy even more entertainment the end of February as we introduce the FXX channel on #207

Happy Valentine's Day from your Wi-Fi experts. A great connection is what makes relationships thrive. It's also what you need from your home's Wi-Fi.

Is your current Wi-Fi router disappointing you with poor performance and spotty coverage? Then we wholeheartedly recommend our Whole Home Wi-Fi service. It provides an advanced router for seamless signal continuity, an app for remote management, Protect IQ for cybersecurity protection and Experience IQ for content restrictions along with local service and support — everything you need to love your Wi-Fi.

2024
SCHOLARSHIP
PROGRAM

WWW.MIDSTATESD.NET

Class of 2024 scholarship opportunities are awaiting you on the Midstate Communications website! The Midstate board of directors is offering high school seniors the opportunity to apply for one of seven \$750 scholarships that will be awarded to students living in the Midstate Communications service area. The deadline for applying is Friday, March 15th.

The Foundation for Rural Service (FRS) is offering scholarships for rural students pursuing a 2-year or 4-year college or vocational education. One application covers all FRS scholarships, with amounts ranging from \$500 to \$7000. Act fast, the deadline is coming up on February 16, 2024.

Apply for either scholarship on the Midstate Communications website by scanning the QR code above or going to www.midstatesd.net.

COMMUNICATIONS

For service assistance please call 605-778-6221 or visit us online at www.midstatesd.net

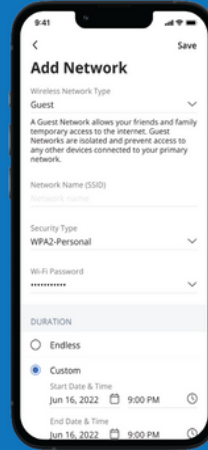

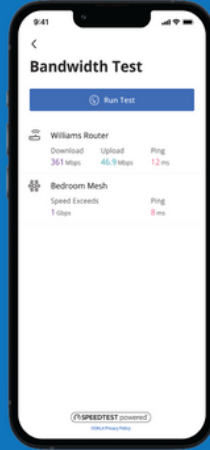

*Only available with Managed Wi-Fi service from Midstate Communications for \$8.95/month. Managed Wi-Fi is a Wi-Fi-6 router on Midstate's 100% Fiber Optic Internet service that receives timely firmware updates resulting in your internet connection to provide you with the best experience possible.

Experience the True Power of the CommandIQ App

Check your internet speed.

Run bandwidth tests to monitor your network performance and give bandwidth priority to specific devices.

Easily set-up a guest network.

Keep your network passwords secure by setting up separate guest networks for your visitors.

View and manage all devices connected to your network.

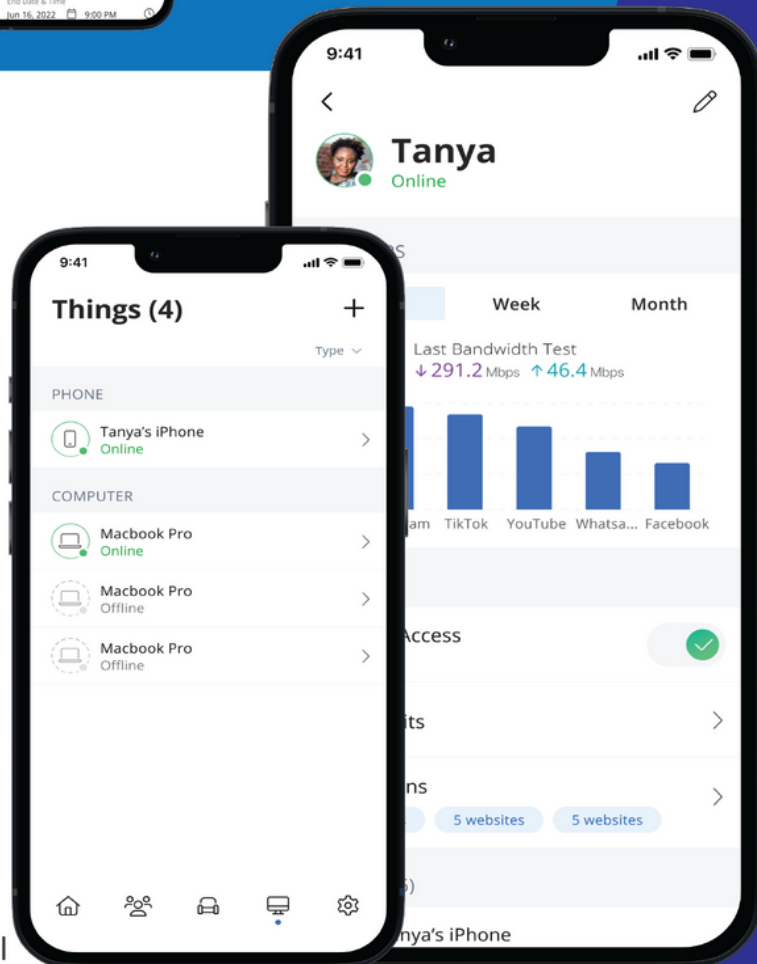

Track a device's bandwidth usage, pause its network access, or disconnect it.

Set parental controls.

See what apps your kids are using, how long they're used for, and tailor their experience by blocking inappropriate sites and content, or setting usage limits.

Active threat protection.

View total threats, intrusions, and viruses blocked over time. You can even see protected devices and total protection uptime.

For service assistance please call 605-778-6221 or visit us online at www.midstatesd.net
